

# Emerging Markets

THE NEWSPAPER OF RECORD FOR THE WORLD'S DEVELOPMENT BANK MEETINGS

12 April 2010,

This note is to confirm that we, Emerging Markets, used the services of Grupo Regio to print our daily 4-colour publication in Cancun three consecutive nights in March 2010, on the occasion of the Inter-American Development Bank Annual Meetings 2010.

Grupo Regio had to print our daily publication overnight and deliver 5,000 copies to 15 location points every morning before 4am.

These jobs were carried out in excellent co-operation and coordination with Grupo Regio from the planning phase to the morning deliveries of the papers.

The printing was of excellent quality and the deliveries were made on time each morning thanks to a well-organised process.

In addition, I can confirm that the quality of the service and care offered by Grupo Regio is one of the best I have experienced in my 8 years of having printed *Emerging Markets* with more than 30 different print companies across the globe.
